Diocesan Revitalization and Realignment Consultations: It is critical for you, the laity of our diocese, to participate in the information sessions which are being offered to share with you what the realignment of our diocese might look like so that you can offer your invaluable feedback. Within your region there are several venues for the consultation. Please make sure to participate in the one closest to where you live or the one most convenient to you. ✠ Robert Harris, Bishop of Saint John

Diocesan Revitalization & Realignment

Just a Minute – What is a disciple?

**Did You Know...** Our revitalization & realignment process was launched with a survey called the *Disciple Maker Index Survey* in January 2016. Why does the survey have that name? Because we’re disciples. A *disciple* is someone who is learning from another, like an apprentice. The master or teacher teaches by word and example. The *disciple* follows the master, hears what he says and sees what he does. Then the *disciple* tries to become like the master. Our revitalization & realignment project is aimed at strengthening our parishes as communities of *disciples of Jesus*, ready to learn how to be like Jesus in our world.

**How can our parishes help us to be like Jesus in our world?**

**Diocesan Revitalization & Realignment**

**Just a Minute – What is Evangelization?**

**Did You Know...** We are called to share the Gospel, the Good News. This is what Jesus did in word and action. It was his mission and we share it. The Greek word for “good news” or “good tidings” is *evangelion*. This is the root of our word “evangelize”. It means to share the “good news” or “good tidings”. **Evangelization** is sharing the Gospel, like Jesus did and in the Spirit of Jesus.

**How can our parishes help us be disciples who evangelize?**
